

WELCOME TO

Bretagne

Jutting defiantly into the Atlantic, France's northwest corner has long been culturally and geographically distinct from the rest of the country.

Known to the Celts as Armorica, the land of the sea, Brittany's past swirls with the legends of drowned cities and Arthurian forests. Prehistoric megaliths arise mysteriously from land and sea, and the medieval is never far from the modern.

A long, jagged coastline is the region's great attraction. Magnificent beaches line its northern shore, swept clean by huge tides and interspersed with well-established seaside resorts seasoned fishing ports and abundant oysterbeds. The south coast is gentler, with wooded river valleys and a milder climate, while the west, being exposed to the Atlantic winds, has a drama that justifies the name 'Finistère', - the end of the earth. Inland lies the Argoat - once the land and the forest, now a patchwork of undulating fields, woods and rolling moorland. Parc Régional d'Armorique occupies much of, central Finistère, and it is in western Brittany that Breton culture remains most evident.

PROPERTY DETAILS

This charming property is situated in a lovely rural retreat and is a well appointed, spacious home from home. The inside has been tastefully renovated to an exacting standard and is the perfect holiday location.

FURTHER INFORMATION

Situated an easy walk from the centre of a small village with three good restaurants, several bars and shops for basic needs. Within 5 miles of a good local supermarket.

The pretty village of Lignol with its bars, boulangerie, pâtisserie, charcuterie, a small supermarket, hairdressers, and 3 restaurants (creperie, pizzeria, routiers) is but a short stroll down the lane. Just 8km away is Guéméné-sur-Scorff which offers a wider choice.

Close by are a wealth of places to visit - at the coast is the Quiberon peninsular and fortified Port Louis. The coastline with its beautiful clean beaches is only 40 minutes away.
