PROPERTY DETAILS

Castarnou is a newly renovated traditional house providing spacious, luxury accommodation. It is 5 minutes walk from the shops, bars and restaurants of the fortified bastide village of Domme (classified as "one of the most beautiful villages in France") and has fabulous views over the countryside. Domme is an attraction in itself (it has its own caves.).

Within easy reach are: the mediaeval town of Sarlat (much used in film sets), canoeing on the River Dordogne, the amazing cave systems of Perigord, the spectacular chateaux of Castelnaud, Beynac and Montfort and the troglodyte villages of LaRoque Gageac and St. Christophe. This is not known as the Golden Triangle for nothing! Golf is available at the Domaine de Rochebois, 7km away.

If you like to eat, drink and enjoy local specialities (people do come to France for that) Domme has restaurants covering the whole range and every day sees a market somewhere nearby to whet your appetite - including the world renowned affair at Sarlat.
